

CASE STUDY

Google Adwords

Myriad Core is a Google Adwords certified business. This means that we meet or exceed the Google requirements for Adwords campaign performance, spend, and number of certified individuals.

We currently manage Google advertisements for hundreds of healthcare hospitals and practices, and tens of thousands of shopping ads for medical products.

We are currently accepting new customers.

Myriad Core

Now that your company is a Partner, it can earn specializations to help win business and differentiate itself

Performance	Spend	Company certifications
<p>Company performance is evaluated based on client revenue growth and retention, and growth in overall revenue and number of advertisers</p>  <p>MINIMUM</p> <p>LEARN MORE</p>	<p>Spend must be at least \$10,000 USD, and is evaluated based on total Google ad spend during the last 90 days</p>  <p>MINIMUM</p> <p>LEARN MORE</p>	<p>You need at least 1 AdWords certified individual. To ensure that certifications are counted toward your badge, certified individuals must share their Academy for Ads account information.</p> <p>Certified individuals 7</p> <p>VIEW DETAILS</p>
